# Chosen Tools – Why Team ?

The screenshot displays a Kanban board with three columns: "To Do", "Do this week", and "In Progress". Each column contains task cards with titles, dates, and team member avatars.

**To Do**

- Final Project Plan**  
22/11  
Team: RG, MA, [Avatar], SO, ZC, JS
- 1st Detailed design description**  
06/12  
Team: RG, MA, [Avatar], SO, ZC, JS
- 1st Product**  
06/12  
Team: RG, MA, [Avatar], SO, ZC, JS

**Do this week**

- First Client Meeting**  
Room R2-091  
15:30  
14/11  
Team: RG, MA, [Avatar], SO, ZC, [Avatar]
- Group Meeting - Starting Project Plan**  
Room R2-091  
15:30 - 18:00  
14/11  
Team: RG, MA, [Avatar], SO, ZC, [Avatar]

**In Progress**

- Client contact along the project**  
Christoffer Holmstedt, Västerås running club  
<christoffer.holmstedt@gmail.com>  
+46 (0)73 7816126
- Zacharias Claesson**
- Take in hands Teams**  
17/11  
Team: RG, MA, [Avatar], SO, ZC, JS

# Risks

- Bad communication between the members of the group.
- Bad communication with the client (misunderstanding the project specification...).
- Bad implementation (final solution does not do what it is supposed to do).

# Work Done So Far

- Role definition.
- Tools choice.
- Getting started with the tools.
- First contact with the client.
- Getting to know the group (strengths and weaknesses of everyone) .

# Week Work Hours

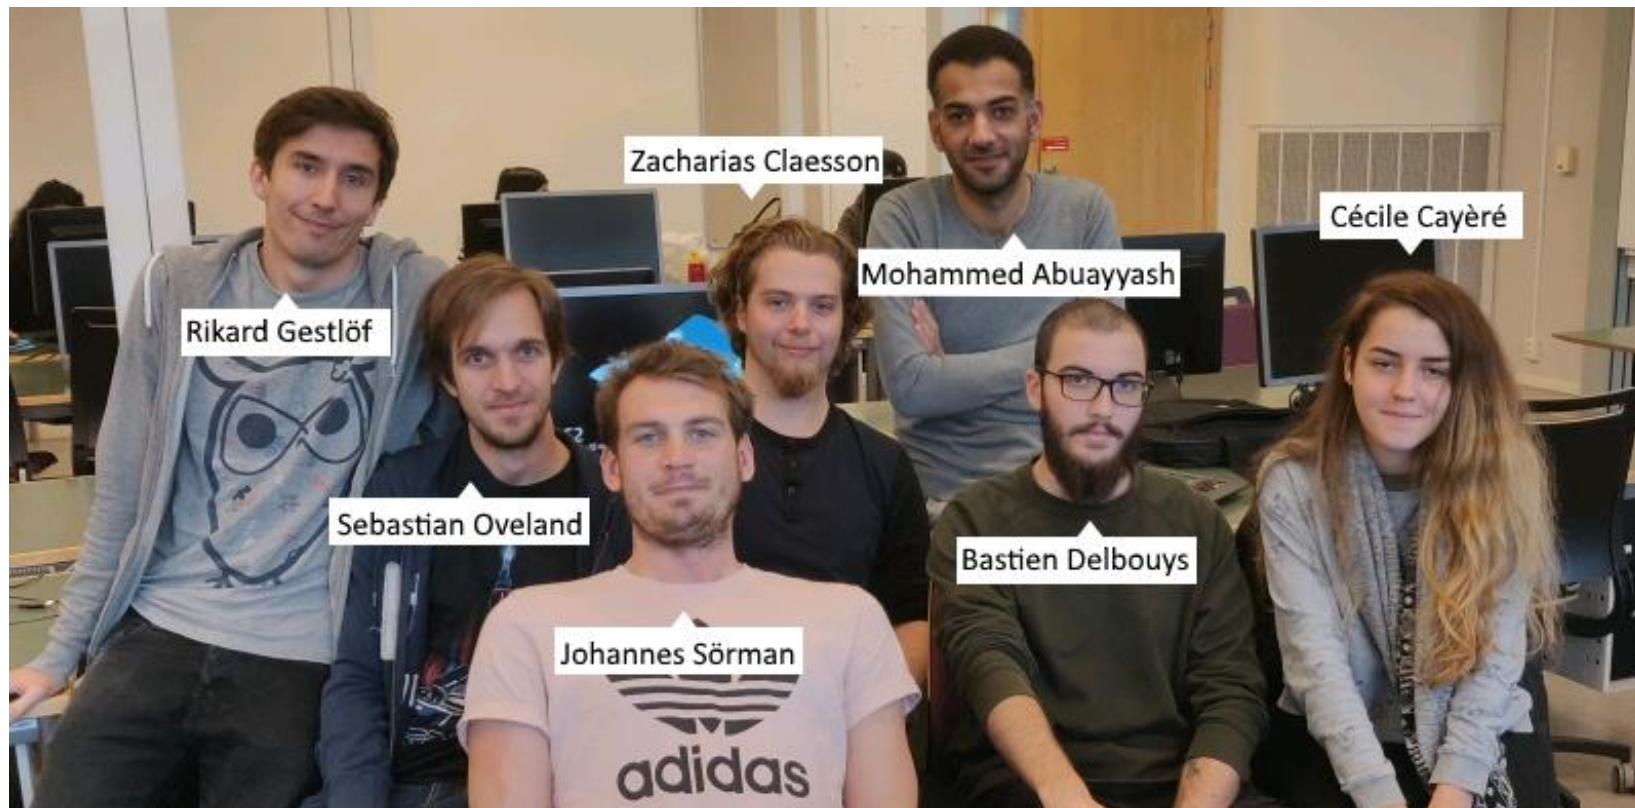

WEEK	46		
Member	Planned	Actual	
Bastien	10	 5	
Zacharias	10	 3	
Cécile	10	 4	
Johannes	10	 3	
Rikard	10	 3	
Mohammed	10	 3	
Sebastian	10	 3	
<b>Total</b>	70	 24	<b>✗ -46</b>

# Future Work Plan

- Meeting with the client.
- Writing of the project plan.

# End

# Questions
